The Aging and Disability Resource Center of Central Wisconsin (ADRC-CW) is excited to announce the successful application to fund a Dementia Care Specialist (DCS) position in Central Wisconsin.

The Wisconsin Department of Health Services (DHS) provided an opportunity to expand the DCS program by providing additional funds to the ADRC-CW, allowing us to add a DCS position to our staff.

The DCS position is intended to increase the dementia-capability of the ADRC-CW, to create more dementia-friendly communities, and increase opportunities for people with dementia to remain in their homes as long as is appropriate.

Jonette Arms, Executive Director, “looks forward to the ADRC-CW collaborating with partners across the four-county region to ensure individuals living with Alzheimer’s or other types of dementia and their caregivers have access to the support they need. We are happy to join the ranks of the other county ADRCs implementing this extremely important work.”

The ADRC-CW will begin recruitment for the DCS position as soon as possible.
