The Aging and Disability Resource Center of Central Wisconsin (ADRC-CW) is excited to partner with the Good News Project to provide the lending of durable medical equipment to customers in the Wausau area. The ADRC-CW Wausau office will no longer duplicate this service for the community as the Good News Project can provide this resource more effectively and efficiently for the community.

The ADRC-CW and the Good News Project have a long standing collaborative relationship and arrived at this decision after thoughtful consideration and an assessment of community needs.

The Good News Project H.E.L.P. Medical Lending Closet will begin accepting requests from the ADRC-CW Wausau office customers on July 8, 2019.

The Good News Project is located at 1106 N. 5th Street in Wausau. Customers can drop by the office, no appointment necessary or call during regular business hours: Monday through Friday 9:00 am to 5:00 pm by calling 715-843-5985.

The ADRC-CW and the Good News Project look forward to a continued partnership in meeting the needs of the community.
